The Number One Two Tone Tribute.

TooT'n'Skamen originally formed in 1985 by Joe Masters (Drums) and Steve Welsh (Bass). TooT'n'Skamen cut their musical teeth playing the Ska and Rocksteady hits from the late seventies revival; music they'd been grooving to for years.

Medway lads, born and bred, they soon picked up quite a following playing pubs and clubs in and around Kent.

In recent years, they've performed with Ska legends Bad Manners and the Selecter. They have also played at several Open Air festivals; The River Festivals. Maidstone, and Gravesend, Gillinghams "parklife", and Quex Park, Birchington. TooT'n'Skamen have also headlined numerous Mod and Scooter rallies.

Additionally, they have played various colleges and universities throughout England, including Aston University, Birmingham. (Once the venue of a legendary performance by the Specials in 1979).

Equally at home in a working mens club or an outdoor festival in front of tens of thousands of people, this hard working tribute band are the Real Deal.
